

GATEWAY UPGRADE NORTH (GUN)

CLIENT

Lend Lease Engineering (LLE)

LOCATION

Gateway Arterial Highway,
Brisbane Qld

SERVICE

- CCTV Pipe & Conduit Inspections
- Subsurface Utility Locations
- No Dig Pipe Repairs
- Drain Cleaning

SCOPE

Gateway Upgrade North involves widening 11.3kms of motorway from four lanes to six lanes from Nudgee to Braken Ridge.

Lendlease Engineering (LLE) was appointed principal contractor responsible for the design and construction of the proposed highway upgrade.

Pipe Hawk Utility Managements main task was to undertake CCTV pipe condition assessments of all new and existing drainage and sewerage infrastructure.

Other industrial services have been used across the project; including full site utility locations, drain cleaning and pipe patching/repairs.

CHALLENGES

- Day and Night works
- Traffic Management
- Community Engagement
- Heritage Awareness
- Environmental Awareness

OUTCOMES

Project completion expected March 2019
