### PROJECT SCOPE

The Woolgoolga to Ballina upgrade is a \$4.9 billion project funded by the Australian Government to provide 155 kilometres of safer four-lane divided road.

The project is split into various sections and Pipe Hawk Utility Management has had the pleasure of working for three major contractors, BGC Contracting, Golding Contractors and SEE Civil.

Pipe Hawk Utility Managements main task was to undertake CCTV pipe condition assessments of all new drainage infrastructure.

Other industrial services have been used across the project; including drain cleaning and pipe patching/repairs.
